

An Australian Government Initiative

Dementia Training Study Centres

## **Training, Innovation, Mentoring and Education *for dementia***

(The Victoria and Tasmania Dementia Training Study Centre)

offers a **Free** comprehensive education program for health professionals and healthcare students wishing to learn more about dementia and the care of people with dementia. Students/ lecturers may use the whole program OR select relevant modules and mix and match for their courses.

TIME *for dementia* offers:

- 13 on-line education modules
- Workshops
- Mentorship program
- Access to 'experts' through an on-line discussion forum
- Clinical placements in dementia specific areas

Access to the education modules is Free to all health professionals and health care students registered with the TIME *for dementia* website.
