

Thursday 17 June 2021

7.30am	Explore the Delegate Connect platform and plan your day's sessions (your link to the program will be forwarded on Wednesday 16 June 2021 - check your spam folder if it doesn't arrive in your inbox)	
8.30am - 10.00am	Session 1: Turning stumbling blocks into stepping stones	
	Chair: Edward Zimbudzi	
0830	Opening Ceremony	
0900	Keynote speaker - Catherine DeVrye Shift Happens: Service to patients and yourself in times of change	
10.00am - 10.30am	RSA Awards	
10.30am - 11.00am	Morning tea break - explore the exhibition and posters	
11.00am - 12.30pm	Session 2: Partnering with consumers	
	Chair: Leanne Brown	
1100	Nicole Scholes-Robertson Patient partnerships in research	
1120	Paolo Cardelli The consumer as a resource	
1140	Raymond Sambo My dialysis journey	
1200	Q&A	
12.30pm - 1.30pm	Lunch break - explore the exhibition and posters	
1.30pm - 3.10pm	DC Room 1	DC Room 2
	Session 3A: Meeting the challenges of renal care 1	Session 3B: Future directions for vascular access
	Chair: Kathy Hill	Chair: Mechelle Seneviratne
	147. determining self-management behaviours in patients with chronic kidney disease - <i>Jennifer Mathias Shah</i>	143. Effectiveness of staphylococcus aureus load reduction in haemodialysis catheter-related blood stream infections - a single centre study - <i>Eliza Daly</i>
	150. Anaphylaxis management in satellite dialysis setting - <i>Aparna Nair</i>	22. Central venous catheter removal - a nurse led approach - <i>Amanda Luke</i>
	115. Pop up dialysis: from shell space to functioning haemodialysis unit in 17 hours - <i>Bronwyn Hayes</i>	187. Development and implementation of a nursing education module to address needle fear in patients receiving haemodialysis - <i>Fiona Donnelly</i>
	131. Developing a practical and portable tool for introducing aboriginal patients to the concepts of renal function, albuminuria, and the lasting nature of renal damage: working from the supermarket - <i>Ruth Healy</i>	148. Plastic cannula usage in new arteriovenous fistulas (AVF) within a single site regional haemodialysis unit - <i>Madeleine Balcombe</i>
	128. Cost burden analysis of skin cancer between two renal transplant patient cohorts in Queensland - <i>Bronwyn Hayes</i>	32. When the pointy end misses the mark: outcomes of a multi-centre retrospective observational study focussing on the first 6 weeks of haemodialysis access - <i>Ashleigh Jaensch</i>
3.10pm - 3.40pm	Afternoon tea break - explore the exhibition and posters	

2021 RSA Annual Conference

	DC Room 1	DC Room 2
	Session 4A: Meeting workforce challenges	Session 4B: Exploring the possibilities of peritoneal dialysis
	Chair: Bronwyn Hayes	Chair: Debbie Fortnum
3.40pm - 5.20pm	34. Impact of the Hawthorne effect on hand hygiene compliance - <i>Smitha George</i>	174. Teach-PD: An interventional design - <i>Josephine Chow</i>
	155. Development of nationally accredited clinical renal physiologist qualifications - <i>Kristen Schuck</i>	181. Dialysis free-time through incremental peritoneal dialysis - <i>Mary Ann Nicdao</i>
	184. COVID-19 preparedness - one health service's experience - <i>Maria Safe</i>	67. Organising special interest groups for peritoneal dialysis patients: is it useful or a waste of time? - <i>Natividad Miles</i>
	79. Dialysis nurses coping strategies in response to increased workload - <i>Edward Zimbudzi</i>	2. The exercise perceptions of people treated with peritoneal dialysis - <i>Jie Zeng</i>
	135. Sustaining the renal nursing workforce - <i>Kathy Hill</i>	196. From standard to incremental: improving prescribing practice in peritoneal dialysis - <i>Mary Ann Nicdao</i>
5.20pm	Day 1 concludes	

Friday 18 June 2021

7.15am - 8.15am	Breakfast Workshop - Early detection of CKD in Australia - the pivotal role of nurses Speakers – Dr Leanne Brown and Mr Graeme Turner Sponsored by AstraZeneca
7.30am	Explore the Delegate Connect platform and plan your day's sessions
8.30am - 10.00am	Session 5: The future of kidney treatment
	Chair: Anna Lee
0830	Sharon Ricardo Regenerative medicine targeting kidney disease: The future of medicine is personal
0900	Fiona Donnelly On the other side of the fence
0930	Myfanwy Graham Review of cannabis medicines in kidney disease – clinical and patient safety considerations
10.00am - 10.30am	AGM
10.30am - 11.00am	Morning tea break - explore the exhibition and posters
11.00am - 12.00pm	Session 6: Using evidence to guide practice
	Chair: Debbie Turner
1100	Jayson Catiwa and Dr Sradha Kotwal REDUCTION - an evidence implementation national project
1130	Peter Kerr Dialysis Membranes – what's the difference?
12.00pm - 1.00pm	Lunch break - explore the exhibition and posters

1.00pm - 3.00pm	DC Room 1	DC Room 2
	Session 7A: Renal care across the CKD spectrum	Session 7B: Renal supportive care future directions
	Chair: Deirdre Fetherstonhaugh	Chair: Jade Ryan
	139. Factors influencing health-related quality of life in people with chronic kidney disease - <i>Harith Yapa</i>	64. Introducing timely palliative care to patients with end stage kidney disease: why is this important and a framework to assist referral - <i>Natalie Panizza</i>
	141. Educational or behavioural interventions for symptoms and health-related quality of life in adults receiving haemodialysis: a systematic review - <i>Sita Sharma</i>	134. Planning for end of life care in dialysis - <i>Kathy Hill</i>
	146. Limited knowledge of chronic kidney disease among patients: findings of a cross-sectional survey - <i>Jennifer Mathias Shah</i>	118. "We just get use to it": a qualitative study of how pain impacts quality of life in people with end stage kidney disease - <i>Kelly Lambert</i>
	20. Health literacy assessment in patients with chronic kidney disease and comorbidities - <i>Ann Bonner</i>	16. Intentional home haemodialysis death: Implications for health care providers - <i>Glenda Rayment</i>
	140. Exploring the impact of chronic kidney disease at various grades along its trajectory - <i>Harith Yapa</i>	107. Nephrology nurse practitioners - where are they now - <i>Barb Harvie</i>
12. Evaluating a training program for practice nurses in early identification and management of chronic kidney disease - <i>Graeme Turner</i>	88. Longitudinal monitoring: Using patient-reported outcome measures to assess patients attending kidney supportive care - <i>Ann Bonner</i>	
3.00pm - 3.30pm	Afternoon tea break - explore the exhibition and posters	
3.30pm - 5.15pm	DC Room 1	DC Room 2
	Session 8A: Meeting the challenges of renal care 2	Session 8B: Renal care in unique settings
	Chair: Fiona Donnelly	Chair: Ann Bonner
	163. Ascitic drainage during haemodialysis treatment: a new experience - <i>Linn Mathilassi</i>	183. Bridging the rural gap in specialist, multidisciplinary transplant assessment - <i>Marian Forrest</i>
	40. Medium cut-off dialyser (MCO) versus high flux (HF) dialyser: which is superior in patient clinical outcomes? - <i>Eduardo Chin</i>	179. On track to transplant - a patient navigator model - <i>Rhane Tsetsakos</i>
	91. Managing dialysis patients with competing treatment demand's: case study - <i>Denise Fraginal</i>	162. Exploring the transition process from the experience of adolescents with chronic kidney disease, parents and health professionals - <i>Kimberley Crawford</i>
142. Energy conservation education intervention for people with end-stage kidney disease receiving haemodialysis (EVEREST): protocol for a cluster randomised control trial - <i>Sita Sharma</i>	58. A Kidney care service tailored for young adults - <i>Silvana Petrevski</i>	
178. Virtually connected: supporting and learning together in times of uncertainty - <i>Annita Salizzo</i>		
5.15pm	Day 2 concludes	

Saturday 19 June 2021

7.15am - 8.15am	Breakfast Workshop -Introduction to Peritoneal Dialysis in the Australian Healthcare System Speakers – Dr Surgit Tarafdar Sponsored by Vifor Pharma				
7.30am	Explore the Delegate Connect platform and plan your day's sessions				
9.00am - 10.30am	Session 9: Sharing the current knowledge				
	Chair: Paul Bennett				
0900	Irene Ruderman Update on CKD-MBD				
0930	Annette Bezzant Chronic Kidney Disease and Diabetes Mellitus: An overview and update of diabetes care for renal nurses				
1000	Kylie Hurst Latest Highlights and Developments from the Australia and New Zealand Dialysis and Transplant Registry (ANZDATA)				
10.30am - 11.00am	Closing ceremony: Prizes, 2022 conference launch, close				
11.00am - 11.30am	Morning tea break - explore the exhibition and posters				
11.30am - 1.30pm	Workshop 1: Green Nephrology	Workshop 2: Research	Workshop 3: Supportive Care: Maintain the Momentum	Workshop 4: Peritoneal Dialysis	
1.30pm - 2.00pm	Lunch break - explore the exhibition and posters				
2.00pm - 4.00pm	Workshop 1: Green Nephrology	Workshop 2: Research	Workshop 3: Supportive Care: Maintain the Momentum	Workshop 4: Peritoneal Dialysis (please note this session will conclude at 3.00pm)
