

Chronic Disease Prevention & Management Initiative Self Management FORUM

25th September 2008
6:30pm

The Chronic Disease Prevention & Management Initiative of the Logan Beaudesert Health Coalition auspiced by Queensland Health delivered by GPLAN endeavours to deliver to clients with a chronic disease or at risk of developing a chronic disease the ability to obtain quality, coordinated and targeted multidisciplinary care across services. This will optimize quality of life for individuals, families and carers within the Logan Beaudesert Region.

This is an opportunity for Self Management Organizations and Support Providers to share good practice, issues and ideas.

Please contact Susan Tippett at GPLAN on 3290 3733 or susant@gplan.com.au, if you have any questions.
