NSW/ACT Branch Full Day Symposium Renal Care – The bigger picture

Royal North Shore Hospital proudly host the RSA NSW/ACT Symposium for renal nurses across the state. This Symposium highlights the focus of renal care on the bigger picture – mental health, infection prevention, diabetes, diet and renal supportive care. This event also showcases the innovations achieved in Paired Kidney Exchange Transplant, Big Red Kidney Bus and Research.

Renal nurses will benefit in attending this Symposium with wider knowledge on areas in relation to providing care to renal patients. Symposium throws light on new focus areas

- Mental Health in Renal Setting
- Paired Kidney Exchange Transplant Program
- Renal Research
- Diet in early CKD – Infection prevention and control
- Renal Supportive Care

The NSW/ACT Branch would like to thank our corporate sponsors for their generosity in supporting this event
