Vascular Access Workshop
Canberra ACT

The Renal Society of Australasia and Medtronic are pleased to announce the first Vascular Access Workshop in Canberra for 2019.

Designed for nurses and health professionals working in hemodialysis or with an interest in vascular access, these one day workshops will cover:

- Vascular access assessment
- Practical hands-on ultrasound scanning techniques
- Real time ultrasound-guided cannulation
- Tips for dialysis access care and management

Our workshop facilitators are highly skilled nurses specialising in the field of vascular access. Learn and apply these vital skills to improve the care of people with renal disease.

The Renal Society of Australasia (RSA) reserves the right to cancel or postpone any event. If this occurs, registration fees paid will be refunded in full, but the RSA bears no responsibility for any other costs incurred (such as flights, accommodation, travel expenses or loss of income). With respect to online learning, the registrant is responsible for ensuring their equipment is able to run the program prior to the start of the session. Refunds will not be given to those who have failed to check their systems capabilities. Should you be unable to attend an RSA event for which you have registered and paid, a substitute delegate is welcome to attend in your place, so long as the RSA has been notified in writing in advance of the event. If the substitute attendee is not a member, the non-member fee will apply and extra payment will be due and payable before the event date. All registrants for RSA events must have paid their event registration fees in full prior to attending an event or they risk non-admission at the event. If you cancel your registration for an event, a refund less an administration fee of 25% (up to a maximum of $100) will be given provided a written request seeking cancellation is received at least 7 days prior to the event. No refunds will be given to registrants who did not cancel and did not attend an event.

Date
Saturday 23 November 2019
