Anaemia Education Day:

Back by popular demand- the next RSA WA Branch Education Day will ensure you are up to speed with anaemia management in your patients now that the specialist anaemia nursing roles have essentially been dissolved in WA. This is your chance to learn from key clinical experts scheduled to present including Nurse Practitioner Jane York from RPH who is one of WA’s leading anaemia ‘gurus’!

Online registration and payment now open – via www.renalsociety.org/education/calendar/

Please note that registrations close on Wednesday 18

The RSA WA Branch and the Organising Committee would like to thank our corporate sponsors for their generosity in supporting our event:

AMGEN

SANOFI
